European Journal of Case Reports in Internal Medicine

COPYRIGHT AUTHORIZATION FORM*

Title of the Article Left Ventricular Pseudo-Aneurysm Directing into Anterior Chest Wall - A Rare Cause of Sudden Onset Excruciating Chest Pain

Author/s Manoj kumar konda M.D [corresponding author]

This authorization includes all submitted text including illustrations, photos, tables, and other related materials.

If this submission contains any **material that has been previously published**, this authorization **must also be accompanied** by all necessary "Permission to Reproduce Published Material" forms completed by the current copyright owner. If this submission contains any **previously unpublished material** for which the person(s) signing this form **does not own copyright**, an additional "Authorization to Publish" form is required from each corresponding copyright owner.

COPYRIGHT TRANSFER

I confirm that I am the current copyright owner of the material described above and hereby transfer and assign to the European Journal of Case Reports in Internal Medicine (EJCRIM) all copyrights in and to the material for publication throughout the world, in all forms and media, in English and in any other language(s). Such transfer includes publication in this and all future editions of the publication named above and in any other publications (including slide collections and any other nonprint media) of EJCRIM, and gives EJCRIM the sole authority to grant rights for use of the material by others.
I waive EJCRIM from any liabilities connected to the incorrect copyright statement.
